

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

March 22, 1999      LB 142, 176A, 314, 791

SENATOR BEUTLER: We are doing what the people asked; we are redistributing money, just as they asked. But in the process of doing that, how many of you think the people considered the effect on the NRDs, the effect on ESUs, the effect on SIDs, the effect on community colleges? We all know that the people did not have the background, but that's what they have us here for, is to make the adjustments that are necessary when a constitutional amendment is voted into place, and that's what we're trying to do with this bill, to make those...all of those adjustments that we think are appropriate as a result of the change in the constitution. We're doing what the people asked, and I think we're doing what the people implied should be done in terms of making additional adjustments. And again, for that reason, I would ask you to overrule the Chair so we may consider the matter. Thank you.

SPEAKER KRISTENSEN: You've heard the closing. The question is, shall the Chair be overruled? Again, members, this is a majority of those who are present. All those in favor vote aye; all those opposed vote nay. Have you all voted who care to? Record.

CLERK: 12 ayes, 22 nays, Mr. President, on the motion to overrule the Chair.

SPEAKER KRISTENSEN: Chair is not overruled. Items for the record.

CLERK: Mr. President, thank you. A series of amendments to be printed to (LB) 314 by Senator Beutler. LB 791 is reported back to the Legislature by the General Affairs Committee with General File amendments. New A bill (read LB 176A by title for the first time). I have a hearing notice, Mr. President, from Education Committee, confirmation hearing notice. And Transportation Committee will hold an Executive Session at 11:15 underneath the north balcony, Mr. President. That's all that I have. (See pages 1113-1119 of the Legislative Journal.)

Mr. President, the next amendment I have with respect to LB 142, Senator Beutler, AM0579. But, Senator, I have a note here that you would like to withdraw (AM)0579 and offer, in lieu thereof, AM or FA57.
